

## PROJECT CASE STUDY

# EDGE DRAIN

### Project

Edge Drain  
along curb  
and road

### Application

Highway Edge  
Drain

### Product

Hydraway  
2000, 18"

### Location

Sacramento,  
CA

### Year

2011-2012

### Problem

Water was being built up along the island for 8 miles of street.

### Solution

To prevent water from building up, Hydraway 2000 18" was to be installed along both sides of the island.

### Result

There was no damage to road or the island by removing water build up.
