

PROJECT CASE STUDY

EDGE DRAIN

Project	Application	Product	Location	Year
Edge Drain	Parking Lot	Hydraway 2000, 6"	Fort Campbell, KY	2010

Problem

Needed to drain parking lot more effectively and not cause damage to new parking lot due to hydrostatic pressure under the parking lot.

Solution

Hydraway 2000 was decided to be installed around the parking lot.

Result

Excellent results and has been used on several locations around the base.
